

Plano Community Unit School District No. 88

Dr. Laurel Walker, Superintendent
Mrs. Valerie Patterson, Assistant Superintendent

Dear Parent/Guardian of New Student(s) to the Plano School District:

Thank you for contacting our school district about registering your child(ren) for the 2010-11 school year. We look forward to having them join us. Registration is scheduled for **Wednesday & Thursday, August 4 & 5 from 1-7 PM** and **Friday, August 6 from 8 AM-Noon**. All students will register at their respective schools. Registration packets for your student(s) will be sent under separate cover. New kindergarten students must attend the student registration, as the student will be screened for placement. New students in other grades are welcome to accompany you to the registration, but this is not required.

Enclosed please find an *Enrollment Proof of Custody & Residency Form*, which indicates the information that will be required of all new students at registration. In order to expedite the enrollment process, please bring copies of these items with you to registration. Copy machines will be available if you are unable to make copies prior to registration.

If you have not already done so, please request that your child's records be transferred from the former school. An *Authorization for Release of School Records* is provided with this letter, in the event your school district does not provide you with one. Before you present the previous school with this form, please complete it and insert the name of your student's new school. Our addresses are listed at the bottom of this letter and on the form.

We hope this registration process will make things easier for our new families. If you have any questions before registration, please do not hesitate to contact your child's new school or the Administration Office.

Again, we look forward to meeting you and having your child(ren) join the Plano School District.
